British Au Pair Agency places au pairs throughout the UK, however, we place mostly in and around London and the South East of England including the counties of Surrey, Berkshire, Buckinghamshire, Hampshire, and Scotland and Wales. We are based in Dartford Kent. We have candidates on our books at any time of the year, some can start immediately and can be interviewed today.

After your online registration, you will then be contacted for a telephone consultation. This consultation gives us a chance to better understand what you are looking for and allows you to ask questions before the search begins. Whether you are looking for a particular skill, hobby or nationally, we've got a range of French, Swedish, Spanish, German, Polish Au Pairs and many more to find the right person for your family.
